**Look for more wordless picture books by this author!*

It has no words! How do I read it out loud?

- Spend time looking at the pictures and talking about what you see. What do you think is happening? What do you think *will* happen?
- Go through the book again and tell the story out loud together! Encourage more details by asking who, what, where, when, and why questions.
- Discuss how the pictures helped you tell the story. What was your favorite part?
